PLEASE NOTE & RESPOND:

New FOCUS newsletter mailing program to begin soon

Our FOCUS newsletter mailing system will change in January 2010 due to new US Postal Service regulations for bulk mail. Unfortunately, the regulations have increased cost and difficulty beyond our ability to comply; so we will be using “first class” postage for those recipients who need to receive FOCUS through the mail. Rest assured that we will continue to accommodate those who require it, but we’d like to limit this expense to members who do not have Internet access and are unable to pick up a copy at the church on a regular basis.

Already, most of our distribution is by e-mail. We’d like to take this opportunity to expand that list to include all family members who have an interest in church activities. By direct communication with personal e-mail addresses, we can increase awareness of program offerings and scheduling changes and help all to be in closer touch. If you are already receiving FOCUS via e-mail, your subscription will continue without interruption. Please add below any appropriate additional addresses for spouses and/or children.

Thanks so much for indicating your preference below and returning this response form by return postal mail or drop-off at the church office. OR...complete the simple on-line reply form at www.pennpres.org. Click on the “Subscribe to FOCUS” button and choose your delivery method. PLEASE GET THIS BACK TO US BY NOVEMBER 30TH.

☞ PLEASE CHECK ONE OF 3 CHOICES:

Pennington Presbyterian’s e-mail list is available only to the church office for church business. It is our policy to not share the list with individuals or organizations within or outside of the church family for any other purpose.
